

PASADENA AMERICAN LITTLE LEAGUE

Manager and Coach Evaluation Form

Message from Shannon McConnell – President of Pasadena American Little League (PALL)

At PALL, we are committed to improving our league at every available opportunity. To accomplish this, we need your input about how your coaches and the league performed. In addition, we want to know what can be done to improve league programming. All names and comments will be kept confidential. The information from these forms will be tabulated and an overall response will be shared with the managers and coaches so they understand how they were perceived by their parents and others in the league. We would prefer that you share your name and contact information so we may contact you to clarify and understand comments better if needed. However, if you choose to remain anonymous, we completely understand..

Thank you for taking the time to complete this evaluation and again thank you for your participation in our league this year. If you would like a to talk directly to discuss anything, please call me at 626 848-2877 or send me an e-mail at info@pallbb.org
